L. G. RODEO - FIESTA OPENS SATURDAY

Lemon Grove Review

VOL. 8; No. 48 — LEMON GROVE, CALIFORNIA — THURSDAY, JULY 19, 1956 — 10c PER COPY

The 16th Annual Rodeo and Fair, with barbecue attached, to be held at the show grounds adjoining St. John of the Cross Catholic Church on July 21 and [illegible] — next Saturday and Sunday in case your calendar is not available — will be a gala occasion, replete with surprising and entertaining events. W. Earl Smart — the W is for Walter, we discovered on seeing his diploma from Southwestern University, where he graduated after three years of law study and completion of a GI scholarship — is co-chairman of the affair, for the Chamber of Commerce, associated with Bill Van Dusen, co-chairman for the Junior Chamber.

Special event for Sunday will be the Rock 'n Riders, a local group of ladies who enjoy horseback riding.

Saturday "special" will be the "Tumble Weeds," local teenagers with equestrian abilities.

Governor Knight has been invited to be grand marshal of Sunday's parade, but no answer had been received on Thursday from the governor as to his program allowing for acceptance of the invitation.

Local banks and title companies have purchased 500 tickets to be distributed among various charitable organizations caring for underprivileged children.

A Ford full of groceries will be given Saturday at 2:30 p.m. as a Rodeo event according to Harold Secor, local manager for Piggly-Wiggly.

The grocery firm has been giving out coupons for weeks and the drawing will be held locally to give the Rodeo added attention, he said.

Smart says transport of the kids is a problem, and offers of help from residents of the area in bringing the youngsters to the barbecue will be appreciated. The crippled children are particularly in need of transport.

Last year's attendance was 3500, and it is hoped that 5,000 or more will attend this year's festival. General admission is $1.25, children 50c, with $2.20 for box seats in the shade.

The rodeo hours, 1 to 4:30 p.m. each day, will be replete with colorful events.

In former years the rodeo has been manager by the Church of St. John of the Cross, but this year, as last, the church officials have graciously relinquished the responsibility for the rodeo to the Chambers of Commerce, junior and senior, with the juniors doing most of the manual labor connected with policing the grounds and getting things ready.

The barbecue part of the festival will be handled by the church folks and the chamber of commerce will have charge of liquid refreshment, with plenty of ice at hand to ward off the heated atmosphere.

Receipts this year will be apportioned between the swim pool and the parking funds. The parking along the railroad is a considerable expense to maintain, salary for the gardener alone being $85 monthly, besides water. This past year the block along the track north of Broadway has been planted to grass on the west side, and on the Imperial Avenue side grading and oiling of the ground has provided convenient parking space for autos.

The Business Women's Club has had this project in charge for some years, and has added beauty to the area below Broadway. Merchants have contributed to the project; some pay a fee each month.

Any residents of Lemon Grove who attend this festival will be aiding the community-minded organizations and helping put over worthwhile community projects.

The ladies of St. John of the Cross Parish will serve a barbecued beef dinner at noon Saturday and Sunday, from noon till evening, with beans and beef principal and plentiful items, and cole slaw and coffee as added entries, at $1.25 for adults and 65 cents for children under 12. Barbecued beef sandwiches at 25c will also serve to fill the voids. A bazaar with booths serving soft drinks and food, and a country store, will also welcome customers. The building fund for the church and school will benefit from these activities.

Ample parking space on the school grounds and the vacant property to the west will be available, and arrangements are being made with Drive-In Theatre for parking space.

Operation Alert This Friday

Civil Defense "Operation Alert" will be put into effect this Friday at 11:10 a.m. All regular radio and tv programs will be off the air for 15 minutes.

The simulated attack information may be had by tuning in 640 and 1240 kc.

Not a Slick Cheek in the Bunch

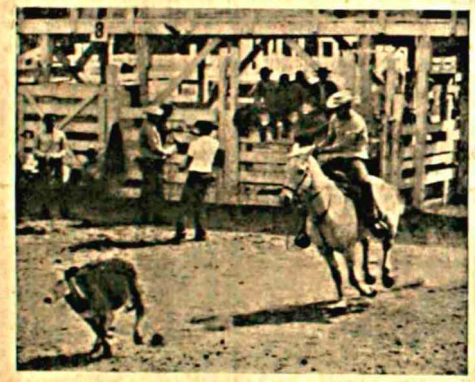
Wearing beards and other facial adornment to publicize the Lemon Grove Rodeo and Fiesta this week, local business and professional men register not a single sale of "Smoothie" cards.

Smoothie cards are being sold to the unwhiskered gentry for a nominal fee. This excuses the bearer from being fined and/or jailed during the rodeo.

Shown taking part in the beards-for-the-rodeo event are Ollie "2-Gun" Martin, post office clerk; W. Earl "Tex" Smart, lawyer; Roger "One-Shot" Johns, professional photographer; Hugh "Bonanza" Maguire, head teller for the U. S. National "Wells-Fargo" Bank, and Jack "Ranger" Dumas, manager of the Pacific Finance Co.

The Rodeo and Fiesta, as you already know, is Saturday and Sunday.

—L. G. Camera Foto By Hal Lenox



Rodeo fans will find plenty of action similar to the scene shown from last year's exciting roping event.

Plenty of seats, general admission, reserved and shaded, are still available. Tickets may be acquired at the St. John of the Cross Church Rodeo Grounds or from most local business firms.

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

Officials and employes at Civic Center are doing their bit at boosting the Fiesta del Pacifico with Fiesta dress worn by the ladies and gala costumes of Mexican motif adorning the gentlemen.

So far, little evidence of whiskers is apparent, but the tops in male elegance are the members of the board of supervisors, each supervisor having purchased and some days wearing an elaborate costume, with silk shirt of bright hue, short black vest — without pockets—and adorned with bright braid, and black pants. At last Tuesday's meeting Supervisors Bird and Howell wore their costumes, Howell's complete with black, straight-brimmed hat, red sash and all. Dave Bird didn't wear his black, if he had one. Other members of the board wore their every day clothes.

Bert Moore, retired deputy county surveyor, resplendent in red silk shirt, sash and pants, was a visitor, shook hands all around. Bert is active in matters concerning the Zoo's welfare, besides other committee work. He thought he'd get a rest when he got off the payroll, but finds plenty to keep him busy. He had a black hat with a straight brim hanging on his neck.

When Joe Mack saw Bert's costume he remarked, "I better keep my wife away from Civic Center or she will want me to wear a fiesta suit."

First matter set for hearing was to open bids for sale of $168,000 1956 Series "A" La Mesa-Spring Valley School District bonds. Dean Witter and Associates were successful bidders, but we didn't catch the price offered. The treasurer took the bids downstairs and brought 'em back with the figures, but said only that Witter & Co. made the best bid and the board awarded the plum to that firm.

Also at 10:30 was time set for opening bids for the sale of $460,000 San Dieguito Union High School District bonds.

A syndicate of three firms bid $592.94 premium, and Bank of America bid par plus $94. Some discussion arose about the terms of the bid, with 30 day limit for acceptance, and Treasurer Delevan Dickson said he couldn't sign the bonds until after August 15. He offered to phone the bidders and returned shortly with word that the bid would be extended as to time.

Time is Essential

Chairman Bird explained that these bidders have to figure on the time element, as prices of bonds fluctuate. Final discussion about a difference of $1842 on 1981 interest. We don't know who the successful bidder was, and as we don't expect to be here in 1981, we don't care too much. We don't own any bank stock, either. Your grandchildren will be paying the interest in 1981, so what?

Only one bid was received for furnishing of electric current to and maintenance of street lights in the Vista La Mesa Public Highway Lighting District for three years commencing July 1, 1956. S. D. Gas and Electric Co. will get $3,380 for three years' service nights to that charming suburb of Lemon Grove.

Longdale Drive is the new name of Sheppard Drive in Pearce Manor, Unit No. 1, Lemon Grove, as requested by Byrl D. Phelps, engineer for Custom Builders, Inc.

At 11:15, time reserved for the appearance of Adm. Wilder D.

700 Homes To Be Built Near Monterey Heights

Well folks, Lemon Grove is to have another subdivision, with 700 handsome homes added to the mail list which Postmaster Faucher already has working.

A small but select attendance at the Men's Club luncheon on Friday was informed of the newest project affecting the Grove's prosperity when a guest speaker —one of two guests brought by Paul Reynolds — revealed the good news, which has been on the fire for some time, that a new subdivision towards Encanto is being platted, the land has been bought and the subdividers, The Larwood Company, are getting on the ball. We will have more particulars about this newest project next week. Just wanted you to know that these Men's Luncheon Club meetings are not all dull and un-interesting.

There were only 20 men present at Friday's "last call to luncheon," and vice president Ray Purtee was not able to be present because of a heart condition. His doctor says he will be okay next Friday.

There being no volunteers for the "chairmanship," Max Goodwin, who was seated on the side lines, was persuaded to hit the water-glass lightly and call the meeting to order. He assented, "rather than have his clothes torn," he said, and asked Paul Reynolds, general business manager, L. G. School District, to introduce his guests, Dr. Jack Boots, a former dentist, who has traveled around the world twice, lived in Pasadena for several years, finally had all the smog he could take, and moved to San Diego — and Mr. Dent Dent, a lawyer, both with leanings toward real estate development.

Dr. Boots spoke entertainingly, said he had treated A. E. Watwood, who is the man behind the gun in the Larwood Company, professionaly for some time, "sharpened up his teeth" was the way he put it and had become interested in the easy way Mr Watwood made money without doing much work.

Mr. Larwood told him to locate a piece of land near a growing city, subdivide it and he "would have it made." So Dr. Boots scouted around, found this piece of land in the southwest corner of Lemon Grove School District. Mr. Watwood put his O.K. on the proposition and put up the dough, "to build good homes for good citizens, with good streets for good homes."

At start of meeting, after the gentlemen had satisfied the wants of the inner men, Dr. Frank Gilliotti brought up the subject nearest his heart at this time, the necessity of having V. A. headquarters returned to San Diego, so that sick vets would not have to go to Los Angeles for treatment. Insisted that taxpayers in the county would be saved a substantial sum. Frank said that Los Angeles politicians

Water May Be Rationed Says Watters

Water conservation measures may be necessary this summer if a prolonged heat wave occurs, executive of the Helix Water Works announced this week.

The district has experienced its third driest period in its history, Clarence Watters, district engineer, said. Cuyamaca Lake rain gauges registered 14 inches less rainfall for the past 12 months than the normal 39.33 inches. During 1954-55 it was only slightly better than this year. Rainfall for that year measured 28.75. For 1955-56, just ended it measured 25.98.

The driest year was 1933-34 when 18.42 inches of rain fell. In 1927-28 21.43 inches were measured.

Runoff during the past year amounted to only enough to supply the district with 32 days of water. Colorado River water must be purchased to fill the needs of the other 333 days, officials stated.

Only 1,533 acre feet runoff was collected during the past year. Average runoff amounts to 9,310 feet, Watters said.

Construction Schedule for Lemon Grove-S. V. High School Set

The Grossmont Union High School board will call for separate bids for grading project for the Mount Miguel High School, to be located on Sweetwater Road, early in August. By letting the grading contract, which calls for moving in excess of 200,000 yards, the schedule for construction of the new high school can be expedited.

Final sale of approximately $2,000,000 in bonds to finance the construction cannot be completed before November 1, stated Harold G. Hughes, associate superintendent, in a report to the board. The contract for construction will be let at the same time. This would allow 10½ months for completion of the school in time for its scheduled opening in September, 1957.

Prize Winning Steers Suffer Before Slaughter

By Dick Henderson

"I never saw a purple cow,
I never hope to see one"
. . . as Gillette Burgess once started a poem.

I never saw a purple steer, but I saw 16 Purple ribbon steers at the last County Fair, raised mostly in El Cajon. One Red Boy, was raised in Lemon Grove by Mike Knapp.

And this morning, Monday, July 16th at 11 a.m. I saw three dehorned Hereford steers in a corral at Cuyamaca Packing Company's stockyards with tags numbered 18, 19 and 123, and another steer tag number 30 wearing short horns and another wearing no tag in his ear at all. All five animals were gentle and one stuck his nose through the bars and licked my arm.

Scummy Water

The tin feed trough at the front of the enclosure was bright and shiny, not a wisp of hay in it or the next corral's trough. The liquid in the water troughs was yellow and scummy. I wouldn't let my pig wallow in it if I had a pet pig.

These animals were brought from the Fair Grounds on Sunday evening, July 8th, and were to have been butchered and processed on the following Wednesday.

Of the original group brought to Cuyamaca Packing Co.'s plant, six had been butchered, but at 6:30 a.m. on Monday, the 16th of July, there were 10 animals of the group in the corral.

Fred Chiappe, 18, of 4646 Third St., La Mesa, accompanied by his mother, took the steer that he had raised away from the Packing Co.'s corral to the place in El Cajon where he had been raised. His steer, which had been purchased by Fred's uncle at $35 a hundred pounds, had lost 125 lbs. in the week since he left the Fair, tho this animal had gained 55 lbs. in the 10 days' stay at the "exposition." John Zolezzi, a fisherman, Fred's uncle, bought the steer, in the name of the tuna boat, Lone Wolf.

This animal had been raised as a pet, and when he came to the packing plant he got only hay and water — no grain, which had been fed 21 lbs. daily for weeks, and had gained him top honors.

And to top it off, he was kept in a small corral with ten or more others, and no shade. Gosh, the fat must have melted off those poor cattle like a Slenderella treatment takes the surplus poundage off a fat lady. I understand the reducers charge two bucks a treatment.

100 Degree Heat

A week of 100 degree El Cajon sun, with no shade would be hard on any cow animal. And one used to a cool barn, such as these animals had for the two weeks before being judged and given purple ribbons, certainly cut them down 125 lbs. each.

Aside from suffering of the animals, the sad part, to me, about this recital, is the wrong done to purchasers of the animals at auction, to say nothing of the damage done to the morale of the young Future Farmers of America, who had made every effort to bring their animals to perfection, and had been awarded purple ribbons, the absolute tops in grading for prime beef that could be cut with a fork. Shrunken beef is very tough on the teeth. All of the animals were bawling loudly, probably hungry and thirsty.

At 6:30 a.m. on the 16th when Mrs. Chiappe and her son arrived at the packing plant they got Fred's steer without argument. "The men said they had been too busy to butcher the animals on Wednesday, as promised", Mrs. Chiappe told me. Fred was more fortunate than other boys who did not learn of the poor care given the animals in time to take them out and re-condition them.

Buyers of the animals at the Fair auction were to be charged 1c per lb. for butchering and dressing each animal, and 6c a lb. for cutting it and packaging.

Cudahy Packing Co. announced over the mike, via the auctioneer, that they would slaughter the animals for the offal. Nothing was said about packaging.

Other packing plants in the area quoted prices at the auction for processing.

Gil Ray Appointed To Planning Commission

Gilbert (Gil) Ray, longt time Casa de Oro real estate dealer, last week was appointed to the county planning commission to succeed Fred Hansen. Mr. Hansen recently resigned because he said other business was pressing and his health was failing.

Hansen had been on the commission for many years. He was an official of the Otay water district and was responsible in developing Calavo Gardens.

Word from Ray's office indicated that his appointment would take effect immediately.

Fishing Fee Reduced For Kids at Lake Murray

The fishing fee for kids at Lake Murray, northwest of La Mesa, was reduced Saturday by the Lemon Grove Water Works.

Youngsters from 12 to 15 years of age, inclusive, now may dip a line in Lake Murray for 50 cents each, one half of the former fee.

The fee for all persons 16 years old and up will remain at $1. Fishing is permitted at the lake on Wednesdays, Saturdays, Sundays and holidays.

The board agreed to the reduced fee in the hope that more young people may be able to enjoy the lake as a recreation spot for fishing.

The district collected $18,554.08 in fees at the lake for the last year.

Ten Days Labor

Boys and girls of the Lemon Greve 4-H Club took a record number of ribbons with their animals at the County Fair and for the first time took the coveted Barn Award. It had been won the last two years by El Cajon.

While the prizes are worthwhile as far as honors are concerned, sale of the animals usually returns only enough money to pay for the compounded feed bill, with little left over as actual profit. 4-H'rs are required to pay themselves 50c an hour for the work they do in raising their animals.

What isn't known generally, except among 4-H'rs is that the County Fair people have invoked a silly and arbitrary rule that exhibitors must live at the fair-provided dormitories for ten days. On its face, this sounds like a pretty good deal for the youngsters. They pay only $15 for ten days of food. On the other side of the coin is that exhibitors can hardly ever get a summer vacation job because first off, they've got to tell their boss they'll be absent ten days commencing the last week in June. The El Cajon Fair, if it continues to thrive, will attract more youthful exhibitors eventually than the County Fair unless the officials at Del Mar change their rules.

Hiway Patrol

Ivan Shaw Jr., a former Grovan has come back. More than a year ago he answered the glamor-and-prestige siren call of the State Highway Patrol. After months of training the highway patrol people put Ivan out in the desert where he found that part of the country not as attractive as he once described it to vacationers as Lemon Grove's only travel agent.

So Ivan Shaw, a young man in his mid-twenties, has come back to us and we welcome him cordially. We had hoped that he would re-open his travel agency but he has taken up the more pedestrian work of selling insurance.

"Why did you leave the patrol?" we asked Shaw upon his return. "I couldn't learn to like 'roughing-up' some of the drunks we had to deal with" was his fully understandable reply. Involved in his simple answer is another reason why no one should drive while drunk. These seemly "nice" patrol boys who are so courteous and friendly, are well trained to take the fight out of belligerant drunks, which many drunks are. They can, I am told, maintain a friendly, disarming smile and cordial mien while stoutly applying a knee to the groin or a judo clip across the neck of a drinker who comes charging out of his vehicle ready to do battle. I have yet to hear of a California Highway Patrol officer being charged with being discourteous.

"Employer" Fired

TIME Newsmagazine carried a story about a Long Island newspaper last week and it had a pretty good hook at the end of it. This newspaper, the TIME story said, ran a letters-to-the-editor piece from two teenage girls complaining that few summer jobs were to be had. One of the girls got immediate, if not good results. A $65 a week office-helper job was offered. One of the requirements of the job: modeling in the nude.

When the girls registered a growl with the L. I. newspaper the editor set a trap. It ran another similar letter signed by a young lady reporter for the paper. Come the phone call, lewd conversation by the caller, and the date. When he showed up, waiting cops arrested the "employer." Hook of the story is that the fine piece of detective work by the gal reporter and the newspaper turned out to have an embarrassing angle. The "employer" turned out to be the 33 years of age circulation manager for the newspaper. He pleaded guilty to disorderly conduct—was fined.

Farewell Party Given By School Architect

A patio "farewell" party was the occasion Sunday for bringing together 24 guests at the home of school architect Herluff Brydegaard, 1143 Helix View Drive.

Mr. and Mrs. Brydegaard will spend an indefinite period in Denmark "just resting" before each of them return to their respective professions. Mrs. Brydegaard is a mathematics professor at State College. Because of the trip she will miss serving at the National Convention of Mathematics Instructors to be held in Los Angeles in August. Mrs. Brydegaard was nominated vice president and was named to the Planning Committee of the group. Mr. Brydegaard is designer of the new Lemon Grove-Spring Valley High School soon to be built on Sweetwater Road by the Grossmont High School District.

Among the guests were: Colonel and Mrs. Frank Kilmartin of Camp Campbell; Mr. and Mrs. Olaf Weighorst, nationally known painter; Mr. and Mrs. Troy Moore, El Cajon; Mr. and Mrs. Art Elliot, he of the Cajon Valley school district; Mr. and Mrs. George Geyer, associate superintendent of San Diego City schools; Mr. and Mrs. George Dessinger of San Diego; Mr. and Mrs. Simon Casady, El Cajon publisher; Mr. and Mrs. John Boon, Monterey; Mr. and Mrs. Max Goodwin, Lemon Grove publisher; Mr. and Mrs. Lewis Smith of Grossmont; Randcliff Hanman and Mrs. Gretchen Kerwin.

700 HOMES TO BE BUILT

(Continued)

had taken the office away from S. D., and Congressman Jim Utt will be asked to get it brought back. V. A. has 124 beds at Naval Hospital, with 168 occupied. Doc seemed to be kinda irked.

At this point Henry Goldy, replete with chin whiskers and side burns, begged to differ with Dr. Frank—said he was a veteran and had compared treatment under the San Diego regime, when he had to wait hours for attention, to the present setup in Los Angeles, where treatment and examinations are promptly given. Henry is a vet, but you wouldn't think, to look at him, that he ever had a sick day.

Henry said he didn't know why it was, but the letters with checks that came to him at his new Chula Vista Resaurant were all stamped "Missent to Lemon Grove."

There's another story we'll have to get. Also, Henry told us that it was Kernvile where he and his friend caught the big trout on their flying fishing trip a couple of weeks ago. Yes, and Henry told a story about a kosher cafe and a Japanese head waiter who spoke perfect Yiddish. That will have to wait, also.

Harry Griffen, in red shirt and wearing a goatee, was not readily recognizable because of it, dropped in for the meeting.

While Dr. Boots told about Larwood Park, Frenchy Faucher asked if they planned on staying in Lemon Grove School District, and Dr. Boots said "Yes," so that satisfied our postmaster that his office will get more employees pretty soon.

Gosh, I could tell you a couple of good stories related at the luncheon, but my allotted space is running out. I do want to warn you members who fail to attend each Friday that Ken Barwick keeps a record of attendance, and expects to receive 25c cash for each absence. Besides the money, you men who are absent miss a lot of fun, besides a darn good meal.—D. H.

Lemon Grove Rodeo Wranglers

It's all in the spirit of Fiesta and Fun, but it helps call attention to the Lemon Grove Rodeo and Fiesta Saturday and Sunday at St. John of the Cross Rodeo Grounds in Lemon Grove.

Beards being the symbol of the event, local rodeo officals, members of the sponsoring Senior and Junior Chambers of Commerce rope telephone installer Hal Lenox who lives in Lemon Grove, for showing his "bare" face during rodeo week. The Fiesta section is sponsored by the Men's Club of St. John of the Cross Church.

ABOUT CIVIC CENTER
(Continued)

Baker and Mrs. Edward Longstreth concerning the La Jolla-San Diego County Theatre and Arts Foundation.

Admiral Baker spoke briefly, outlined the projected theatre, said that the proposed theatre had been given some 20 acres, either on a long lease or outright gift, and turned the mike over to Mrs. Longstreth, she being better posted, he said.

Mrs. Longstreth spoke clearly and concisely—she is a very pretty woman, and the board members and the entire audience gave rapt attention to her remarks—outlined the goal of a county theatre to be built on the 20 acre site adjoining La Jolla on the north. A corporation has been formed and $20,000 raised, but they need help. Mrs. Longstreth suggested that the supervisors award from $50,000 to $100,000 as the county's share in a worthwhile project. Supervisor Gibson thought the matter should be taken under advisement, and Chairman Bird agreed with him. Not possible to divert any such sum from this year's budget, but it might be possible to do something handsome next year. The question of legality was brought up, and will be looked into. A gentleman showed a colored map of the property. The city held off the sale of the six acres it owns, gave a long term lease at a $ a year.

One Acre Farms

A. D. Foster appeared at 11:30 relative to zoning and planning in Eucalyptus Hills, near Lakeside. There seems to be a difference of opinion as to zoning this area, with most of the residents wanting one-acre farms and the planning commission not agreeable.

About this time a delegation, led by Dr. James K. Christie, all members of Home Owners and Taxpayers Congress of San Diego, asked for recognition. Dr. Christie took over the mike for a short time, explained that the audience had come a long way and were asking for two hours to present the candidacy of Raul Laughlin for assessor. Chairman Bird said that he had not been apprised of the visit, that no time had been set to hear the arguments for one candidate when there are 14 applications for the position on file. Explained that it would be impossible to give two hours at any time, and suggested that the hearing be given next Tuesday at 3:30 p.m.

Dr. Christie wanted to know if the people or the board of supervisors governed, and some gent said "Remember, there's an election coming up."

It developed that Dr. Christie had told his customers that a meeting with the board had been arranged, but he neglected to tell the clerk of the board his plans and have a time set for hearing, as is the usual procedure, all of which kinda irked Chairman Bird. So next Tuesday at 3:30 ought to bring an interesting meeting.

Local Growl

Letter from C. T. Hobbs, Lemon Grove, requesting that his garage be assessed as a garage and not as a dwelling, inasmuch as the plumbing fixtures, partition and heaters have been removed, and it has been converted to a garage; and report of the assessor that the changes were not reported prior to March 4, 1956, therefore no reduction is recommended for the year 1956-57, but a reduction of $760 will be made for the year 1957-58, unless other changes are made prior to March 4, 1957.

Notice from Pearlie J. English, San Diego, that he is filing a claim in small claims court for $100 for taxes erroneously assessed against his property.

The surveyor and road commissioner recommends approval and execution of an acceptance of work and materials and notice of completion of the improvement of Beryl Street, et al, in Lemon Grove, 1911 Act, Unincorporated Area 40, Road Improvement District No. 6007.—D. H.

ST. PHILIP'S BUILDING PROGRAM STARTED

St. Philips has a building program underway. The capacity of the Sunday School rooms will be doubled to take care of the large number of children attending every Sunday. The new rooms will be arranged with sliding panels so that they can be made into one auditorium for large meetings, dinners, etc. At the present time the Church building is used for this purpose, which necessitates moving the pews every time.

Fred Bartlett is substituting as organist while Mrs. Foster is attending the Summer Music School at the Seminary in Berkeley.

A baby girl named Marsha Lee was born July 8th to Everett "Bud" and Mary Coffin at Mercy Hospital. The youngster, a sister to Mark who was two years old the day before Mary came home, weighed 8 pounds and 9 ounces and was 20 inches long.

The baby, according to her mother, has a round face with dark hair, but not much in front.

"Her feet are long and slender like mine. Mark's are flat and wide like Bud's," she said.

The couple lives at 8330 Alton Drive.

NOTICE OF SPECIAL ELECTION PERTAINING TO ANNEXATION OF MURRAY DRIVE ANNEXATION TO THE CITY OF LA MESA

NOTICE OS HEREBY GIVEN, that pursuant to Ordinance No. 712 of the City of La Mesa and to the Annexation Act of 1913, a special election has been called, to be held on the 14th day of August, 1956, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation, be subjected to taxation, equally with the property within he City of La Mesa, to pay the entire bonded indebetedness of the City of La Mesa outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:

All of that unincorporated area within the County of San Diego, State of California, lying within the following described line:

STOP **The Spoilers!**

A century ago, when America's natural resources seemed inexhaustible, waste and reckless exploitation were the order of the day. ***The slogan of the spoiler was: "The public be damned!"***

Protect Our Natural Resources

We've come a long way since the Robber Baron era. We've fought to save our precious resources from devastation. We've insisted on conservation—to protect our timber, our topsoils, our water, our fish and game.

Today in California, we have to battle for conservation once more: to save our oil—our most valuable resource of all—from the irresponsible, wantonly wasteful practices and the public-be-damned attitude of the spoilers!

Let's GO *forward* with **4**

Proposition 4—the Oil Conservation Act on the November ballot—will establish a State Oil and Gas Commission to put into effect modern conservation practices which the great majority of responsible California oil producers are ready and willing to abide by.

Double California's Oil Supply

Production methods made possible by Proposition 4 will double California's recoverable oil. Expert petroleum engineers agree on this. Even the opponents of the Act begrudgingly admit that fact.

What does that mean for you—and for all Californians? It means:

- More jobs and business prosperity.
- A huge new source of tax wealth for State, counties and school districts—to help ease ***your*** tax burden.
- Less dependence on foreign oil supplies—a life or death matter in time of national emergency.

Keep Gas Prices Down

Proposition 4 means price protection for you as a motorist--for greater supplies of California oil will help keep gasoline prices down!

Oil Conservation is in ***your*** interest—the public interest.

The Spoilers' way is the backward way.

Let's go ***forward*** with 4!

Vote **yes** on **4**
